Senior Video Producer (Intern) Fall '19, (Contract) Jan '21 - Apr '22, (Full-Time) Apr '22 - Jun '25, (Contract) Jul 2025 - Dec 2025

- Consulted with [Ubisoft](#) and [Riot Games](#) on their goals and expectations for content execution and delivery.
- Communicated with team managers and players to schedule and conduct 20-40 interviews per tournament.
- Produced content with daily turnarounds during tournaments while still maintaining detail standards.
- Pitched and produced creative and engaging features that fit the narrative and brand of the broadcast.
- Created motion graphics for broadcast content as well as internal marketing needs.
- [Operated PTZ](#) for Rainbow 6 NAL, remotely controlling 4 cameras and ensuring that all color, lighting, and framing standards were met.
- Proven focus and endurance on 12-hour shoot days, multitasking across camera work, editing, interviews, and ensuring crew meals were delivered on time and that dietary restrictions were accounted for.
- Planned and managed long-term production plans and goals for internal and external projects.
- Organized and documented video files and information to ensure that other employees and I could quickly and easily navigate terabytes of past projects and broadcasts.
- Trained interns on DSLR camera operation, editing, and production skills through the lens of esports and business marketing.
- Captured video and photo content for social media at local events and tournaments hosted by Nerd Street.

United Wealth Management, Charlottesville, VA

Video Editor and Podcast Production

October 2020 - June 2022

- Built easily digestible graphics for videos to help viewers understand complex financial topics.
- Planned and produced a podcast from start to finish, helping the customer film and record their podcast at a professional level.
- Engineered audio with close attention to detail so viewers were not distracted by audio cuts or extraneous sound.

Cavalier Marching Band, Charlottesville, VA

Producer of Video Content

June 2020 - May 2021

- Co-Founded a student-run media team to produce content for recruitment and social media. This group started the [@uvamarchingband](#) account and is still active.
- Developed engaging social media content to be used for recruitment and community relations.
- Strategized creative ways to showcase a 300+ person organization with two videographers in compliance with COVID guidelines.

UVA Army ROTC, Charlottesville, VA

Editor and Videographer

October 2020 - December 2020

- Taught cadets the basics of filming (composition, lighting, stabilization) so they could film at training exclusive to cadets.
- Strategized video content to get prospective cadets interested and excited about UVA Army ROTC.
- Tastefully handled sensitive topics like memorials and vigils.

ACC Network via the Sports Media Production Class, Charlottesville, VA

Camera and Shader

January 2020 - March 2020

- Communicated with a large team over the radio to create a cohesive and interesting production.
- Demonstrated knowledge of safe equipment setup, maintenance, and teardown.
- Camera: Demonstrated essential multitasking skills. Proficient at knowing when my camera angle was needed and adjusting composition for graphics and potential replay angles. Confident at breaking away from camera angles to hunt for interesting footage of fans or players when the pace of play allowed.
- Shader: Adjusted video settings on cameras remotely so all video looked the same on broadcasts, regardless of the camera being used, which demanded close attention to detail and proficiency in color grading.
